It was all those things you said to me  
It was all those lies you believed in  
I guess that now you stand higher  
Than anyone else in this world

So fragile that it's hard to touch you  
So pure and so beautiful  
It was all so hard to see  
Or I was too blind to be

Killing me in your heart  
Love is gone  
The deepest touch  
And all is done, all is done

It was all so beautiful  
It was all so bright and true  
My eyes are staring at you  
Watching it all go wrong

Killing me in your heart  
Love is gone  
The deepest touch  
And all is done, all is done

Killing me in your heart  
Love is gone  
The deepest touch  
And all is done, all is done

It was all those things you said to me  
It was all those lies you believed in  
I guess that now you stand higher  
Than anyone else in this world

So fragile that it's hard to touch you  
So pure and so beautiful  
It was all so hard to see  
Or I was too blind to be  
I was too blind to be

Killing me in your heart

Love is gone  
The deepest touch  
And all is done, all is done

Killing me in your heart  
Deepest touch  
And all is done, all is done  
All is done
