Believe

God it's been so long  
Since we tried to get along  
So many things we're left unsaid  
That's why I found myself today  
I'm wondering how you feel  
Do you ever think of me  
When you're touching someone else?

Is it hard to believe?  
It was all in me, was it something I said  
Or something I did

So many roads to go  
But only one will lead us home  
Gotta face it all alone  
Try to make it on my own

It is hard to believe?  
It was all in me, was it something I said  
Or something I did  
Now it's all coming back to me  
And the time has gone by and I see  
So selfish I know I can be  
Broken your trust in me  
I just refuse to believe

God it's been so long  
Since we tried to get along gotta face it all alone  
Try to make it on my own

It is hard to believe?...

Believe. Believe.
