Hate, what will it take
When all that is left
Is a long waited sweet revenge

I'm giving up, giving up
My pride for you
I'm giving up, giving up
My trust in you

My dear old friend good times we had
But I ain't no one's fool

Let there be light and a better future
With every blink of an eye
Your lies will destroy her

So, I'm giving up, giving up
My pride for you
I'm giving up, giving up
My trust in you

And every minute now
You're drifting away
It's a fact we can't deny

Let there be light and a better future
With every blink of an eye
Your lies will destroy her

So, I'm giving up, giving up
My pride for you
I'm giving up, giving up
My trust in you

Let there be light and a better future
With every blink of an eye
Your lies will destroy her

So, I'm giving up, giving up
My pride for you
I'm giving up, giving up
My trust in you

My trust in you
My trust in you
