I've got a heroine in my veins  
My body doesn't work  
I've got a poison in my brains  
I can feel the ?  
Or I don't have a mom  
I have a money  
So why should I complain  
It makes me happy  
But still I feel the pain

Hey baby please wait  
I must warn you  
I wanna help myself  
To find that way  
I don't wanna feel the pain  
I just want to be saved  
I've been ?  
Pretending feels like a real

I have a dream  
Something we could be  
I'd like to die  
Or make a suicide  
I don't have a home  
Or place where to go  
I have a money  
So why should I complain  
It makes me happy  
But still I feel the pain

Hey baby please wait  
I must warn you  
I wanna help myself  
To find that way  
I don't wanna feel the pain  
I just want to be saved  
I've been?  
Pretending feels like a real

I have money  
So why should I complain  
It makes me happy

But still I feel the pain

Hey baby please wait

I must warn you

I wanna help myself

To find that way

I don't wanna feel the pain

I just want to be saved

I've been ?

Pretending feels like a real
