I hate to think I hate to do
I hate to stand but I like to move
I waste my time I'm always wrong
I feel I'm weak but still i'm strong

[2x]

Take me now 'cause i'm so tired, take me now and
please be my side
Take me now and don't never let me go, don't let me
go

It's like a turn it's like a dream, there's no more love
what i can feel,
I waste my time I 'm always wrong
I feel i'm weak but still i'm strong

Take me now 'cause i'm so tired...
