Loving arms around us  
For you're the kind who needs refuge  
Your loving eyes see right through me  
Cannot play saint,  
Cannot pretend

Neverending rain on your little parade  
Nothing to do with a love affair  
When heaven cries I will be near you  
And walk with you through all your pain

Do not forget what we are  
Until the end meant to be one  
When heaven cries and you are gone  
You stole my soul,  
It breaks my heart

Do not forget what we are  
Until the end meant to be one  
When heaven cries and you are gone  
You stole my soul,  
It breaks my heart  
(And you are gone)
