Only sorrow and pain  
Will fill your heart tonight  
Only thing that will remain...

Could it get worse?  
It's a one way street down  
With every gasp it hurts  
Never pleasant kinda way...

This love was a curse  
And we were just framed  
It all comes back crying out your name

Only sorrow and pain  
Will fill your heart tonight  
Only thing that will remain  
Is your heart next to mine  
Sorrow and pain...  
Only sorrow and pain

There was a time  
When you walked in beauty  
Now you're alone  
But there are millions just like you  
Why should you fight  
No one's safe from the cruelty  
The worst part is yet to come...

Only sorrow and pain  
Will fill your heart tonight  
Only thing that will remain  
Is your heart next to mine  
Sorrow and pain...  
Only sorrow and pain

Only sorrow and pain  
Will fill your heart tonight  
Only thing that will remain  
Is your heart next to mine  
Sorrow and pain...  
Only sorrow and pain
