These are those days, when I can get no sleep  
I'm so tired I'd like to fall into sleep  
I fall in my bed  
But still I'm awake

These questions in my mind are so much bigger than  
life  
But my life is short and I have to leave them behind  
I have to try to forget  
That I am still in my bed

In my deepest fears I'm losing you  
Even if somebody tried to stop my heart  
I'm still alive I will never give up

CHORUS:  
Just turn off the lights  
Don't wanna see me die  
I look like I'm dead  
But when you look at me  
I am still alive

Just open your eyes  
Don't wanna see me cry  
I'm right here where you want me to be  
Fighting with myself

All I need to feel is your breath on my skin  
This endless longing between you and me  
We can't give up now  
We're gonna make it somehow  
In my sweetest dreams I'm with you  
Even if somebody tried to stop my heart  
I'm still alive I will never give up

[CHORUS]

Just open your eyes  
Don't wanna see me cry  
I'm right here where you want me to be  
fighting with myself, with myself

[CHOURS]

Won't you open your eyes  
Don't wanna see me cry  
I'm right here where you want me to be  
fighting with myself  
I'm right here where you want me to be  
fighting with myself  
I'm right here where you want me to be  
fighting with myself, with myself.  
Ooh, I look like I'm dead  
but when you look at me  
I'm still alive
