Afraid of  
All the fears I feel inside  
It's hard to go on  
And try to leave this all behind

Should I be afraid of  
When all the beauty seems so cruel  
Always somehow  
I turn all my fears on you

Sometimes I run and hide my fears  
Afraid and I hide until you're mine  
You give me heart to carry on  
It gives me hope, it makes me strong

Afraid of  
All your fears I'm living through  
Deep inside my, my heart  
I'm weak as you

Until you're mine  
These waking hours killing me  
Always somehow  
You finally turn your fears on me, on me  
It breaks me

Sometimes I run and hide my fears  
Afraid and I hide until you're mine  
You give me heart to carry on  
You give me hope, it makes me strong

Sometimes I run and hide my fears (run and hide my fears)  
Afraid and I hide until you're mine (until you're mine)  
You give me heart to carry on (carry on)  
You give me hope, it makes me strong

Until you're mine, until you're mine  
Run and hide

Keep the courage used to carry on

You give me hope, it makes me strong
