When hearts are blessed with a fire and sins are faith  
We decide to get rid of desires that we can't escape  
How much more your tired heart can take  
The time will show that our secrets won't be safe

I won't let go - of things that I was dreaming  
I won't let go - of you, you keep me believing  
And deep in my heart there's a place that I could never  
show to you  
Won't let go - of you, my dear

If we trust our love to take us to a place unknown  
Even we're not sure if we could get back on our own  
No way out, not even tired hearts can tell  
It breaks me down, it kills me

I won't let go - of things that I was dreaming  
I won't let go - of you, you keep me believing  
Deep in my heart there's a place that I could never  
show to you  
Won't let go of you my dear...

I won't let go - of things that I was dreaming  
I won't let go - of you, you keep me believing  
And deep in my heart there's a place that I could never  
show to you  
And deep in my heart there's a place that I could never  
show to you  
Won't let go - of you my dear...
