Intro:

Oh

Hook:

(Repeats "Jerk")

Verse 1:

Got the music pumpin

So I'm jerkin at the function,

I reject drop and get my criss-cross on

Elbows up knees bent I reject on,

I go so low

Leanin like a cholo,

I'ma grade "A" jerk

Puttin in footwork

And my kicks carry more colors than starburst,

While they goin back-and-forth like some boomerangs

But when I hit the dance flo I can't be tamed,

When movin to the beat

Wit my rainbow colored blazers and my skinny jeans

While hataz mug on mean,

Verse 2:

Shoe game crazy but my jerk so ku-koo

And you can call me Lauren London cuz I rock the

"new-new",

Steppin on the scene

And got all eyes on me,

All eyes on my feet

Stomping backwards to the beat,

Jerkin to the left and jerkin to the right

I'm jerkin side-to-side and gone get it all night,

Teachin yall a lesson; watch closely sit tight

I'm not talkin construction but when I move I build hype,

People hatin on my moves

Cuz I'm glidin so smooth

And they can't do nor move how I do

Verse 3:
Hop up on the set
Jerk game on deck,
Everybody watch me footwork and instantly start
shoutin
(Jerk, Jerk, Jerk, Jerk)
They yellin "footwork, footwork, footwork and"
(Jerk, Jerk, Jerk, Jerk)
I'm steppin so smooth
And everybody tryna watch me move,
(Jerk, Jerk, Jerk, Jerk)
I hit em with the reject
Step after step
Cuz my skills on point like a laser and I'm the best,
