"For You"

Visit "[For You](#)" on MotoLyrics.com

Maybe we are people
Tangled in a complicated relationship
Everyday I am debted to you
Debts that are too much for me to pay back
Sometimes like a couple, sometimes like strangers
Can we keep living on like that
Despite countless mistakes and separations
You are still there

I know that you are the only person
Who can help me live properly in this world
I, in order to live without regrets,
Should keep you by my side
My rough mind and unstable expressions
And you watching it
That is a love like a war
Because I'm dangerous, because I love you
I will leave from you
I will leave for you
