Since mine I will never have to leave him, my friends say I should never have to make things clear. I think I like u 2 I think I like u 2. so tell me what's next, I think I like u 2. Now is the time when I'm trying, tell me more and I'll try so hard, we could stay here for a long time. I'm not likely to forget but I don't know your name. We shook hands but I don't remember when. I know you like me 2 I know you like me 2 So I tell you what's next I know you like me 2 Now is the time when I'm trying, tell me more and I'll try so hard, we could stay here for a long time. She was never pretty she was only young She was never pretty she was only young She was never pretty she was only young Now is the time when I'm trying, tell me more and I'll try so hard, we could stay here for a long time. Now is the time when I'm trying, tell me more and I'll try so hard, we could stay here for a long time.
