This day is so cold
Nobody has called
My door's open wide
But no one can find

I need you this day
To come and to stay
Your lips are so fine -
Give shelter to mine

Find me, find me, call me in no time
Be honest or lie

You are far away
But hear what I say
Fill me with your tune
Hide me behind you

I want it so much
Your voice and your touch
To know that your line
Is totally mine

Find me, find me, call me in no time
Wherever you are

This day is so cold
Nobody has called
My door's open wide
But no one, no one can find,
Find me, Hide me
I need you this day
To come and to stay
Find me, find me
Find me call me in no time
Be honest or lie

Hide me deep in your heart
Wherever, wherever you are
Find me, find me, find me
