Not your day
You fall flat
On your face
And bad-patch
Of your life, girl
Your best friend
Made you sad
Let you down

And your love said "good-bye"
Give a damns and sing how you do it
Release it and sing don't you mute it
'Cause you have your song and that's all right
And no matter how you do this "du-du-du"
If you wish to sing! Let's sing!

Sing it out! How you do it
Fear not that it's wrong
Bring it out! How you do it
Never mind you weak or strong
Sing it out! How you do it
Fear not that it's wrong
Bet your heart, sings so good
Listen, you're queen of jazz! Ha!

What a day! Sun and sea
And your man make you helpless
Want to cry, want to fly
Glow and shine no one will stop you
Do it now, just sing how you do it
Make it loud and sing don't you mute it
'Cause you have your song and that's all right
And no matter how you do this "du-du-du"
If you wish to sing! Let's sing!

Sing it out! How you do it

Fear not that it's wrong
Bring it out! How you do it
Never mind you weak or strong
Sing it out! How you do it
Fear not that it's wrong
Bet your heart, sings so good
Listen, you're queen of jazz! Ha!

What a day! Sun and sea
And your man make you helpless
Want to cry, want to fly
Glow and shine no one will stop you
Do it now, just sing
Make it loud and sing
'Cause you have your song and that's all right
And no matter how you do this "du-du-du"
If you wish to sing! Let's sing!

Sing it out! How you do it
Fear not that it's wrong
Bring it out! How you do it
Never mind you weak or strong
Sing it out! How you do it
Fear not that it's wrong
Bet your heart, sings so good
Listen, you're queen of jazz! Wa!

Sing it out! (How you do it fear not that it's wrong)
Bring it out! (How you do it never mind you weak or strong)
Sing it out! (How you do it fear not that it's wrong)
Bet your heart, sings so good
Listen, you're queen of jazz!

Sing it out! How you do it
Fear not that it's wrong
Bring it out! How you do it
Never mind you weak or strong
Sing it out! How you do it

Bet your heart, sings so good
Listen, you're queen of jazz! Ha!
