Visit "[Sycamore](#)" on MotoLyrics.com

("Firing party....ready....")
Sycamore ... is open.
("...aim...fire! BANG")
That's how Sycamore opened.
That's how....Sycamore is.
(guns.)
I say this somewhat quietly and without fanfare,
because ...
(HOW ARE YOU VOTING ON THE GUN INITIATIVE?)
Well ...
(i'm against it.)
Because ... people who like their living green and
private don't
usually appreciate a lot of fluttering flags and
cartwheeling clowns.
(THERE ARE 17 MILLION ADULTS IN CALIFORNIA, AND
AN ESTIMATED 4
MILLION
HANDGUNS.)
(but
that's not fair!)
(WHEN NO MORE CAN BE SOLD, YOU CAN SEE THAT
THE MAJORITY OF
ADULTS
WILL BE VIRTUALLY PROHIBITED FROM EVER OWNING
ONE.)
When this vacation land is sold out ...
(THAT'S RIGHT!)
(DID YOU KNOW IT GIVES SOME PEOPLE A SPECIAL
PROPERTY
RIGHT?)
(you mean, my neighbor can have something legally
that i can't.)
So if you've always admired parts of Piedmont, or
Orinda....
(WELL, YOU COULD BUY ONE, IF YOU CAN CONVINC
SOMEONE TO SELL
YOU HIS,
AND IF YOU'RE WILLING TO PAY HIS PRICE.)
and regret you didn't buy there ten or fifteen years
ago,
Sycamore should have considerable appeal.

(THAT'S RIGHT!)

It is a custom community of personalized....

(guns.)

for the private pleasure of a limited number of families.

(IT ALLOWS PEOPLE WHO ALRE

ADY OWN HANDGUNS TO KEEP THEM.)

After all, you aren't going to find a finished big blue
mountain

lake in California that isn't full of boats and people,

(guns.)

and surrounded by cars. This opening is just the

beginning....

of something people will want a Sunday drive through,

for the next

couple of hundred years.
