I wake up
It's the same old boring routine
That's all it will ever be
That's all it ever seemed

You know this town
Is never gonna change
It will always be that same
Boring place where I was raised

Every damn day
Everything is the same
No new faces
And no new places to go

And if you could see
What it's like to be me
You'd see how this town
Is driving me crazy

I wake up
It's the same old boring routine
That's all it will ever be
That's all it ever seemed

You know this town
Is never gonna change
It will always be that same
Boring place where I was raised

I don't want to leave this place
But I am going insane

This place is my home
And no other place will be the same

I wake up
It's the same old boring routine
That's all it will ever be
That's all it ever seemed

You know this town

Is never gonna change
It will always be that same
Boring place where I was raised
