She's that girl is poison
I can't get her off my mind
Dresses to kill,
Have no choice, but to fall victim to her crimes

Chorus:

Oh, oh, she's a bad girl, she's a bad girl
You better watch your back, cause Shawty is super bad!
Oh, oh, she's a bad girl, she's a bad girl
You better watch your back, cause Shawty is super bad!

You can run, but it's no escape
Try to fight it, but it's far too late!
She is a villain with some wicked legs
Whatever she wants is what she gets, hey!

She's that girl is poison
I can't get her off my mind
Dresses to kill,
Have no choice, but to fall victim to her crimes

Chorus:

Oh, oh, she's a bad girl, she's a bad girl
You better watch your back, cause Shawty is super bad!
Oh, oh, she's a bad girl, she's a bad girl
You better watch your back, cause Shawty is super bad!

She got blind magic when it comes to sex
In the middle of the night she can make you sweat
She set your world on fire and watch you burn!
She hunt you like tiger, bearly know where to turn, turn!
Hey, Shawty's super bad,
Said she's super bad!
Girl, you're super bad, bad, bad!
Shawty's super bad!
Said she's super bad!
Girl, you're super bad, bad, bad!

She's that girl is poison
I can't get her off my mind
Dresses to kill,

Have no choice, but to fall victim to her crimes!

Chorus:

Oh, oh, she's a bad girl, she's a bad girl

You better watch your back, cause Shawty is super bad!

Oh, oh, she's a bad girl, she's a bad girl

You better watch your back, cause Shawty is super bad!
