Lil mama do it bad,
Everything she do I like that
She got it all I want it bad,
She got me hooked like that
And she a diva (diva)
If you see her (see her)
Don't cha know baby
I would never leave ya
I would do it all for you
Fall for you
And all them dudes threat her well but
She just can't seem to let them go
I'll write her this song
16 bars heart and my soul
And if I could do everything she want
I would do it for her
I would walk to the end of the world and back
Just to be with her

[Refrain:]

Be my Jase, be my boo
The only one I need is you
And there is nothing that I wouldn't do
To make all your dreams come true
Be my Jase, be my boo
The only one I need is you
You could be my Jase

And all them dudes be tripping like
Why you with him?
But they don't know that on the low
That I'm seeing right
And on this
My CD ain't drop yet.
I'm in the tropic?
That sunset I know you feel that
They get so hollywood
Running shit lie I would I so hollywood
No special effects; it's all me
Acting on the scene when we
Running on the streets
And my favourite colour happens to be green

Like your eyes & money in my jeans
And I see you walking low
I need you
Girl you should know

[Refrain:]

Be my Jase, be my boo
The only one I need is you
And there is nothing that I wouldn't do
To make all your dreams come true
Be my Jase, be my boo
The only one I need is you
