You sure put on a good show
How you did it I don't know
But you knew the perfect part to play
You had me convinced
That you were heaven sent
Until I saw you take your halo off back stage

Yeah it turns out
You weren't the girl I thought you were
But damn babe you're sure good at lyin'
I wish I could believe everything you said
And forget about the truth for a while

I love those things you said babe
The way you filled my head babe
With thoughts of love I've never known
You had me believe
All those things I was feelin'
While the whole time
You were playin' me like a song

Yeah it turns out
You weren't the girl I thought you were
But damn babe you're sure good at lyin'
I wish I could believe everything you said
And forget about the truth for a while

Despite of all my hurtin'
The truth is such a burden
Well maybe I'll pretend that I don't know
I guess I could live with your lies
At least for another night
Then tomorrow we'll see how it goes

Yeah it turns out
You weren't the girl I thought you were
But damn babe you're sure good at lyin'
I wish I could believe everything you said
And forget about the truth for a while
Yeah I think I'll just believe everything you said
And forget about the truth for a while
