It's 6a.m sunrise
To a long greulin day
Do a show in Toronto
And two in L.A

I haven't been home for six months now
Though it feels like six years
Sometimes I got to wonder
What the hell I'm doin' here

If the lights on in town
In this shady ole town
Would you hold me aside
Like you did the first night
Could I trust in you
To be faithful and true
Cause lovin' and losin'
Is so hard to do
I've been gone a way too long
I'm comin' home, I'm comin' home

6am touch down
With you on my mind
It seems like forever
Since I left you behind
Ohh! lifes' so much sweeter
With you in my sights
Oh, lets turn up the mood
And make everything right

If the lights all went down
In this shady ole town
Would you hold me as tight
As you did the first night
Could I trust it in you
To be faithful and true
Cause lovin' and losin'
Is so hard to do
I've been gone away too long
I'm comin' home
Home is where my life is

Home is where my heart lives

If the lights all went down
In this shady ole town
Would you hold me as tight
As you did the first night
Could I trust it in you
To be faithful and true
Cause lovin' and losin'
Is so hard to do
I've been gone away too long
I'm comin' home

I'm comin' home
with you on my mind
I'm comin' home

Would you hold me tight.
