[Verse 1]

I'm the kind of guy
That'll love to love you baby
You're the kind of girl
I would give up everything for
Baby all I need is your loving all around me
Oooo don't that sound kind of nice
Hey yeah, there is just one thing
That I need to ask you baby
Can we take this kind of slow?
Cause I don't want to mess up
Never felt like this before
And I feel I'm going crazy
But I know I just can't live without you

[Chorus]

You make me wanna stand up tall
Clean up my act
Do what is right and be a better man
Change how I walk
Change how I talk
Even though this isn't really me
But just as I am
Do all I can with these two hands for you
But I know I just can't make it alone
Please be my lady

[Verse 2]

Crazy as it seems
I have never been in love and
Waited all my life
Just to be here in this moment
Take my breath away
And my heart is beating faster
Ooh is this what love's about
Yeah yeah
I promise I can be
Everything you ever wanted
If you give me just one chance
To show you that I'm worth it
Let me be your man

And I swear you won't regret it
Cause I know I just can't live without you

[Chorus]

You make me wanna stand up tall
Clean up my act
Do what is right and be a better man
Change how I walk
Change how I talk
Even though this isn't really me
But just as I am
Do all I can with these two hands for you
But I know I just can't make it alone
Please be my lady, yeah yeah
Hmmmmm ohhhhhh ohhhhhhhhhh
