Yeah

Let me come on over
I'm gonna put you on a sofa
And do just like I told yah
And work that body right Oo shawty
I know that you've been naughty
So get up on my lap
And work it work it
Twerk it oh twerk it
I wanna see you sweating girl
The best is what your getting girl
So lets take our time

Lets go into the room in the bed
Make you wet its the best
When we do what we do

Or we can slip into the shower
And make it last for hours
When we do what we do

Lets go into the room In the bed
Make you wet its the best
When we do what we do

Oh baby oh baby oh baby, Oh yeah
It's the best when we do what we do

Oh girl your making me wanna go crazy
Out of my mind
The way you looking when you naked
I get so impatient
But then you tell me to hush
Because you don't wanna rush

Work it oh work it
Twerk it oh twerk it baby
I wanna see you sweating girl
The best is what your getting girl

So lets take our time

Lets go into the room in the bed
Make you wet its the best
When we do what we do

Or we can slip into the shower
And make it last for hours
When we do what we do

Lets go into the room in the bed
Make you wet its the best
When we do what we do

Oh baby oh baby oh baby, Oh yeah
Itâ€™s the best when we do what we do

In the room in the bed, We do what we do
In the shower for hours, We do what we do
On the sofa on the floor, We do what we do
Girl anywhere you want, Girl we do what we do
