Perhaps you went out drinkin'  
And you're hurtin' pretty good  
This mornin's got you feeling  
Like you never thought you would  
You've tried it all from Tylenol  
To vitamins and more  
But I'll let you in on somethin'  
That'll cure it all for sure

I said, it's beer for breakfast  
The hangover remedy  
The only one that's guaranteed  
To end your misery  
You know, I've heard a lot of different sorts of wives'  
tales recipes  
Down here in Texas  
It's beer for breakfast

I've seen 'em all hunched over  
Praying to that toilet seat  
Not knowing all they had to do was pop the top and  
drink  
Make sure it's cold cause warm beer only magnifies the  
hurt  
Yeah, one sure helps  
But two cold beers  
Is guaranteed to work

I said, it's beer for breakfast  
The hangover fix  
The only remedy that's guaranteed to do the trick  
You know that whiskey's way too risky  
And you'd probably just get sick  
So, down here in Texas  
It's beer for breakfast

Come on!

Well, it's beer for breakfast  
The hangover cure  
The only thing I know that's guaranteed to work for

sure  
So y'all can keep all y'all's mimosas  
Or your coffee and liquor  
'Cause down here in Texas  
It's beer for breakfast  
Down here in Texas  
It's been for breakfast
