All he needs is food and water  
A little shelter from the rain  
He ain't the type that likes to argue  
I never once heard him complain  
He never asked me where I've been  
She could learn a thing or two from him

I say come, he comes right here  
He loves to go fetch my next beer  
He rolls over, if I tell him to  
There ain't a thing my dog won't do  
Yeah he likes my truck, he don't mind my gut  
And he loves to hunt hogs  
Why can't she, be more like my dog

He knows when to keep his mouth shut  
And both ears open wide  
He don't ever sweat to small stuff  
Cause he's just glad to be alive  
You could say he's my best friend  
Why can't she be more like him

I say come, he comes right here  
He loves to go fetch my next beer  
He rolls over, if I tell him to  
There ain't a thing my dog won't do  
Yeah he likes my truck, he don't mind my gut  
And he loves to hunt hogs  
Why can't she, be more like my dog  
Yeah, yeah, yeah  
Yeah, yeah, yeah

Yeah, I say come, he comes right here  
He loves to go fetch my next beer  
He rolls over, if I tell him to  
There ain't a thing my dog won't do  
Yeah he likes my truck, he don't mind my gut  
And he loves to hunt hogs  
And it's a well known fact that he's got my back  
If I get into a squab  
Yeah he's just a pup but he knows what's up

We don't no dialog  
Why can't she, be more like my dog  
Yeah, why can't she, be more like my dog  
Why can't she, be more like my dog  
More like my dog  
More like my dog  
Just a little more like my dog
