She got her shades on
She's lookin' strong
Singing that Waylon song
Man it really turns me on
From the early morning
Right back to the break of dawn
Yeah, I got all that I want and all I need

The sun bouncin' off the water
We just chillin' on this boat
The hardest thing we have to do
Is just watch that bobber float
We got a cooler full of cold beer
And a stringer full of fish
It don't get no better than this
It don't get no better than this

That bikini top
Is barely hangin' on
How 'bout a little sun block
And lettin' me rub it on
Yeah, we get to feelin' right
Keep this thing goin' all night long

Yeah, we'll pull this thing out the water
Get on up to higher ground
Pop the top on a camper
Dance and spin you right around
We got a big ol' fire burnin'
And a fryer full of fish
It don't get no better than this
It don't get no better than this

Wakin' up to the smell of bacon
Campfire coffee percolating
It's gettin' hot and time's a wasting
Let's crank it up again

Sun bouncin' off the water
We just chillin' on this boat
Yeah, the hardest thing that we have to do

Is just watch that bobber float
We got a cooler full of cold beer
And a stringer full of fish
It don't get no better than this
It don't get no better than this
It don't get no better than this
