I hadn't from you in ages
Your letter sure did take me back
You sure do have some pretty babies
Can't no one argue about that
He better treat you like he should
He better make you feel good

Cause if he don't
Then I made up my mind
I'll meet you at the Smith County line
We'll leave here at midnight
And drive until daylight
And stop at the first spot we find
And make up for lost time
Make up for lost time

It's nice to know you think about me
I think of you from time to time
I probably shouldn't even tell you
But girl you're always on my mind
Yeah, he better realize what he's got
He better love you a lot

Cause if he don't
Then I made up my mind
I'll meet you at the Smith County line
We'll leave here at midnight
And drive until daylight
And stop at the first spot we find
And make up for lost time
Make up for lost time

I can't turn back the clock
But I can make the pain stop
Yeah, I can give you everything that you need
I can take you away
I can make it okay
The only thing you gotta do is believe

If you don't I'm drawin' the line
I'm leaving your memory behind

So don't write me again
I don't want to be friends
There's someone I've got to go find
And make up for lost time
Make up for lost time
Make up for lost time
Make up for lost time
At the Smith County line
