JB and the Moonshine Band - The Only Drug

Doin' everything I wanted to every which way I could
As long it felt good
But there's nothin' that can make me feel the way you
can
So I gave up my addictions
I'm a brand new man, it's true
'Cause all I really want is you
Baby, you got what I need
And nothin' else will do
'Cause nothin' gets me high on life
Or drunk on love the way you do
So if you're thinkin' I'm addicted
I guess it's kinda true
But they can keep their drink
Their smoke, their pills and their cocaine, too
'Cause your love's the only drug I do
So if my hands are kinda shaky
It's cause you ain't here
And if my eyes are red
It's just because of all these tears I've cried
Girl, you've got me feelin' cold inside
Is there anyway that I can maybe steal a kiss
'Cause that's the only way that I can think
To get my fix, I swear
Promise me you're gonna take me there
Baby, you got what I need
And nothin' else will do
'Cause nothin' gets me high on life
Or drunk on love the way you do
So if you're thinkin' I'm addicted
I guess it's kinda true
But they can keep their drink
Their smoke, their pills and their cocaine, too
'Cause your love's the only drug I do
Your love's the only drug I do
Your love's the only drug I do
Your love's the only drug I do
Baby, you got what I need
And nothin' else will do

'Cause nothin' gets me high on life
Or drunk on love the way you do
So if you're thinkin' I'm addicted
I guess it's kinda true
But they can keep their drink
Their smoke, their pills and their cocaine, too
'Cause your love's the only drug I do
Your love's the only drug I do
