

## Nota "Down"

Visit "[Down](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Baby, are you down, down, down, down, down?  
Down, down  
Even if the sky is falling down?  
Down, down

You oughta know  
Tonight is the night to let it go  
Put on a show  
I wanna see how you lose control

So leave it behind  
'Cause we have a night to get away  
So come on and fly with me  
As we make our great escape

So baby, don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry

Baby, are you down, down, down, down, down?  
Down, down  
Baby, are you down, down, down, down, down?  
Down, down  
Even if the sky is falling down?

Just let it be  
Come on and bring your body next to me  
I'll take you away  
Turn this place into our private getaway

So leave it behind  
'Cause we have a night to get away  
So come on and fly with me  
As we make our great escape  
So why don't we run away?

Baby, don't worry  
You are my only  
You won't be lonely

Even if the sky is falling down  
You'll be my only  
No need to worry

Baby, are you down, down, down, down, down?  
Down, down  
Baby, are you down, down, down, down, down?  
Down, down  
Even if the sky is fallin' down?

Down like she 'posed to be  
She gets down low for me  
Down like her temperature  
'Cause to me she zero degrees

She cold, over freeze  
I got that girl from overseas  
Now she's my Miss America  
Now can I be her soldier, please?

I'm fightin' for this girl  
On the battlefield of love  
Don't it look like baby cupid  
Sent her arrows from above?  
Don't you ever leave the side of me  
Indefinitely, not probably  
And honestly, I'm down like the economy

Baby, don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry

Baby, are you down, down, down, down, down?  
(And the sky is falling down)  
Down, down  
Baby, are you down, down, down, down, down?  
(Are you down? Are you down?)  
Down, down  
Even if the sky is falling down?  
(And the sky is falling down)  
And the sky is falling down
