People say I'm the life of the party
'Cause I tell a joke or two
Although I might be laughing loud and hearty
Deep inside I'm blue

So take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears

I need you, need you
(Need you, need you)

Since you left me if you see me with another girl
Seeming like I'm havin' fun
Although she may be cute, she's just a substitute
Because you're the only one

So take a good look at my face
You see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears

I need you, need you
(Need you, need you)

(Outside)
I'm masquerading
(Inside)
My hope is fading
([Incomprehensible])

Oh yeah, since you put me down
My smile is my makeup
I wear since my break-up with you

Baby, take a good look at my face
You'll see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears

So take a good look at my face

You see my smile looks out of place
If you look closer, it's easy to trace
The tracks of my tears
