Times of revolution  
Ends to commercial greed  
The winds of change have come  
Kill the source the monster needs  
Thunder builds underground  
Swelling, twisted metal sounds

We will fight against trends  
Our crusade never ends  
Liberate empty minds  
Go against common grind

Meaningless  
Selfishness  
No heart

[Chorus]  
Ride upon the plastic airwaves  
Sell your soul once more  
Hide behind their polished icons  
Like cowards before  
We hold strong that we will survive  
No more fear  
Strength in sound  
No more hiding  
Cause we won't back down

Destined rebellion  
Music made for the fans  
The tides are shifting now  
Dismiss corporate demands  
Renaissance, gaining force  
Momentum from the truest source

Brutal truth lies ahead  
See the lies they feed  
Heroes, rusted. Idols, fake  
Bonds of trust, theirs to break

Treachery  
Shamelessly  
No soul
