Yes  
It's Lo-So  
J-Man  
Israel Aka It's Real

[Fabolous:]  
Now You No I Gotta Start With Florence  
I Met Her At The Heart Of New Orleans  
That Was When The Astin Martin Was Orange  
A Body That Could Speed Up A Heart Performance  
But She Change Character Like Martin Lawrence  
A Real Dr. Jekl, Miss Hyde Chick  
Flip Out On Ya Call Her Miss Sidekick  
So I Told Israel Don't Make It His Gal  
Hope She Just A Friend Better Play Up His Style.

[Israel:]  
Think About The Time That We First Met I Was So Glad I  
Found Ya.  
Had Me In A Spell The First Moment That I Laid Eyes  
Upon Ya .  
What I Would Do To Feel Like That And No The Way To  
Make You Smile Again .  
I Would In A Flash Cause

[Israel:]  
You Aint The One I Knew  
Have We Been Introduced  
Cuz Clearly Ive Thought And I See The Gemini In You  
Its Pushing Me Away From You  
But Im So In Love With You  
Oh I Just Want My Baby Back  
Cuz I Didn't Fall For The Gemini In You

(Nonono)

[Israel:]  
How Did We Ever Get Into This Point  
Wasn't Really In Our Plans  
Think About If Life Had Been A Coin  
The Other Side Sooo Different

Your Just Reacting  
Whats The Cause  
Or Are You So Good To Walk Out The Door  
When Im Tryna Make A Truth

[Israel:]  
Tell Me Do Really I Deserve To You To Just Treat Me Like  
Some Other Guy  
Thought I Was The One You Wanna Be With.  
Dont Leave Me To Do This Alone  
We Came Way To Far To Quit So  
Don't Let This Go. And Im Hurtin Baby Cuz

[Chorus: Israel]  
You Aint The One I Knew  
Have We Been Introduced  
Cuz Clearly Ive Thought And I See The Gemini In You  
Its Pushing Me Away From You  
And Im So In Love With You  
Oh I Just Want My Baby Back  
Cuz I Didn't Fall For The Gemini In You

[Israel:]  
Oh My Girl How I Desire For Us To Be So Close And  
Nothing  
Could Break Us Apart Girl Gotta Admit Im Scared When  
You Change On Me

[Fabolous:]  
Now I See What Your Ex Was Talking About  
One Minute Ya Muslim Then You Porkin It Out  
First You Dont Like Rap Then You Walking It Out  
And You No Were I Live Then You Stalking It Out  
Woow  
Id Be Telling Women Why Be A Vergo  
And Act So Gemini  
But You No Me A Hommie Is Hip To This  
Ill Snap You Out Of It Like A Hypnotist (Los)

[Chorus: Israel]  
You Aint The One I Knew  
Have We Been Introduced  
Cuz Clearly Ive Thought And I See The Gemini In You  
Its Pushing Me Away From You  
But Im So In Love With You  
Oh I Just Want My Baby Back  
Cuz I Didn't Fall For The Gemini In You
