Verse 1

Girl I want to know,
Why your sitting all alone,
Your too pretty for a flower chilling on the wall,
Buht that's not out yet buht atthe sunset,
You will follow me step by step.

Bridge

Girl take my hand and we'll fly away,
Doing my thang from the start,
And baby I know I carnt make your day yeah,
And we can combine in 2

Chorus

Come dance to my heart,
Come dance to my heart,
Come dance to my heart,
Come dance to my heart.

Verse 2

And now we hit rock just wanna get closer,
Ima let the DJ to play my song,
And now that yhu know so lets go feel the groove,
Lets stick together girl on my own

Bridge

Girl take my hand and we'll fly away,
Doing my thang from the start,
And baby I know I carnt make your day yeah,
And we can combine in 2

Chorus

Come dance to my heart,
Come dance to my heart,
Come dance to my heart,
Come dance to my heart.
