Shaking like a leaf on the desert heat  
His daddy's got a bang that's hard to beat  
I bought me a ticket got a front row seat

I'm checking out the show  
With a glassy eye  
Looking at the sun dancing through the sky  
Did he come  
By ufo

Lotta chicks will pull in the book I read  
Only man I know that got up from the dead  
Lot of people living by the words that he said

I'm checking out the show  
With a glassy eye  
Looking at the sun dancing through the sky  
Did he come  
By ufo

Think he'll ever come again a different way  
Maybe he is coming though while I was away  
Too much goodness is a sin today

I'm checking out the show  
With a glassy eye  
Looking at the sun dancing through the sky  
Did he come  
By ufo

There is something happening  
It isn't to clear  
Just a little different from the previous year  
I think that happiness is getting very near

I'm checking out the show  
With a glassy eye  
Looking at the sun dancing through the sky  
Did he come  
By ufo?  
Did he come

By ufo?  
Did he come  
By ufo?
