I swear that i could watch you for hours
I swear that i could watch you for hours
Now I know that I've just found you
But I've never been so sure
You make me laugh until I cry
Like nothing has before

You say we're moving quickly
I feel like it's too slow
Can't you just tell me,
what i really need to know?

Why You're buffering tonight
You're buffering tonight
You say there 's no connection
And you must be right
Cause You're buffering tonight

Now I was honest from the start
You know you would been played
I showed you to my girlfriend
and still you choose to stay
In my favorites list cause You know that I like this
Why to you tease me
You know I can't resist

When You're buffering tonight
You're buffering tonight
You say there 's no connection
And you must be right
Cause You're buffering tonight
You're buffering tonight
You're buffering tonig..... (song cuts of here)
