Spring back elastic heart
We are not angry now
Somehow we both dissolve
All our weight is gone
And tenderness
Is ours again
Can we forget the past
Find us an open road
Picture the two of us
Window caravan
Silhouette against the sky
As we spin around with our arms entwined
Delirious
In love
Spring back elastic heart
We are not angry now
Picture the two of us
With our arms entwined
We should be thankful then
For our disgrace
Delirious in love
