BUILD BACK UP

Life's a castle made of sand
How it stays together I don't understand
And it never seems to turn out exactly as I planned
But I work it out

Life's a castle made of sand
Beautifully fragile, delicately grand
So when the tide comes in and the walls get thin and it
crumbles in your hand
You work it out

'Cause you know...

Piece by piece
Bit by bit
We build back up
And we just don't quit

Piece by piece
Bit by bit
We build back up
And we just don't quit

Piece by piece
Bit by bit
We build back up
And we just don't quit

Piece by piece
Bit by bit
We build back up
And it only makes us stronger
And it only makes us stronger

Life's a castle made of sand
The wind is testing you to see if you'll withstand
And even the deepest moat won't help you float when
the water steals the land
But we work it out

'Cause we know...

Piece by piece
Bit by bit
We build back up
And we just don't quit

Piece by piece
Bit by bit
We build back up
And we just don't quit

Piece by piece
Bit by bit
We build back up
And we just don't quit

Piece by piece
Bit by bit
We build back up
And it only makes us stronger
And it only makes us stronger
It only makes us stronger
It only makes us stronger

Piece by piece
Only makes us stronger
Bit by bit
Only makes us stronger

Piece by piece
Only makes us stronger
Bit by bit
Only makes us stronger

Piece by piece
Only makes us stronger
Bit by bit
Only makes us stronger

Piece by piece
Only makes us stronger
Bit by bit
Only makes us stronger
(We build back up)

Piece by piece
Bit by bit
We build back up
And we just don't quit
(We build back up)

Piece by piece
Bit by bit
We build back up
And we just don't quit
(We build back up)

Piece by piece
Bit by bit
We build back up
And we just don't quit
(We build back up)

Piece by piece
Bit by bit
We build back up
And it only makes us stronger
