Caramba, ay, ay, ay!  
The moon is bright above  
The stars are in the sky,  
The night was made for love  
Caramba, ay, ay, ay!  
Seorita por favor  
Take me in your arms and love me ever more  
Libido, libido, libido  
Boys and girls come out to play  
Libido, libido, libido  
Dancing the night away!

They say little girls are made of sugar and spice  
And all things nice but I don't think so (Oh No!)  
No I don't think so (Ah!)  
They say little boys are made of slugs and snails  
And puppy dogs' tails but I don't think so (Oh no!)  
No I don't think so (Ah ha!)  
Libido, libido, libido  
Boys and girls come out to play  
Libido, libido, libido  
Dancing the night away  
La la la la LA la la la la la la LA  
La la la LA la  
La la LA la  
La la la la LA la la la la la la LA  
La la la LA la  
La la LA la  
Knows plenty Nostradamus  
Scope horo solitaire  
A chink we call Confucius  
Vamanos Fred Astaire  
Banditos con pistolas  
A paso doble too  
Hasta la maana  
When I come home to you  
Libido, libido, libido  
Boys and girls come out to play  
Libido, libido, libido  
Dancing the night away  
Libido, libido, libido

Boys and girls come out to play  
Libido, libido, libido  
Dancing the night away  
Everybody Dance!  
La la la la LA la la la la la LA  
La la la LA la  
La la LA la  
La la la la LA la la la la la LA  
La la la LA la  
Ay, Carnival!  
La la LA la...
