This is freakin' brilliant
Whoops! I started way, way, way too early.
What?
No. Just keep going?
Yeah, it's fine. Cheers.

This is freakin' brilliant.
The embarrassment I endure
I thought I saw an angel
I was completely sure
She smiled at me on the subway
Turned out she was a man
I didn't know until I tried to sleep with her
After 8 black and tans

But she was beautiful, She was beautiful
She was beautiful, I swear
When I saw her face, it was in a crowded place
And I didn't see the bump right here
I shouldn't've drank so much beer.

Yeah, she had one lazy eye
But I couldn't tell in that light.
You should have seen the look on my face
When we got home that night.
And I said, "What the oh my! Can we turn off the
lights?"
But she just took off her clothes and my lust turned to
fright.

But she was beautiful, She was beautiful
She was beautiful, I swear
When I saw her face, it was in a crowded place
And I didn't see the bulge right here.
Why did I drink so much beer?

No no no no no,
No no no no no no,
No no no no no no!

But she was beautiful, I promise she was beautiful
You gotta believe me she was beautiful, I swear.

I bet a flock of angels had smiles on their faces
As they watched me almost hook up with her—him—
her—him—oh, gosh.
But it's time to face the truth
I got drunk and made out with a dude.
