I'm lost like you
Feeling like a fool
Don't know what to do
I wanna get away from it
From the mess you let me in

How could you be
So selfishly
Given up from me
She treats you like a fail
So deal with it

Refrain:
How many times do
I have to tell you
She don't change
You'll be the same
How many times I've
been falling asleep away

Chorus:
No one else to blame
Just the game we play
Are you my biggest mistake
Just the game we play
If we lose your pain
You're my biggest mistake
Biggest mistake

How could you be (how could you be)
So selfishly (so selfishly)
Given up from me
She treats you like a fail
So deal with it

Refrain:
How many times do
I have to tell you
She don't change
You'll be the same
How many times I've

been falling asleep away

Chorus:

No one else to blame
Just the game we play
Are you my biggest mistake
Just the game we play
If we lose your pain
You're my biggest mistake
Biggest mistake

Bridge:

Biggest mistake
Biggest mistake
Biggest mistake
