King  
All of the people are under my rule  
King, King, King, King  
King!  
King I'm the King, I'm the King  
There's a crown on my head  
God damn King  
You address me as your majesty hehehehe  
KP Iceman is the God damn King  
God damn King

Each of my flavours are mash  
Came in to say that I'm taking your stash  
Each of 'em know I'm amazing at raps  
Don't be says'ing I'm gash

Don't be says'ing my game isn't crash  
Came in to show that I'm major at tracks  
Cos' it's sharp like a blade or an axe  
In your brain 'til it snaps (he-ha)

It's so class when I flow with the mix  
Each of 'em know that I'm vulgar at rips  
I'm the ultimate soldier of spits  
Cos' my flow full of grits

And I'm so good at slicing 'em in  
Gouging the eyes of the guys that are skim  
If you battle me, you'll find that I win  
And I'll always be the King

King  
All of the people are under my rule  
King, King, King, King  
King! King I'm the King, I'm the King  
There's a crown on my head  
God damn King  
You address me as your majesty hehehehe  
KP Iceman is the God damn King  
God damn King

I'm the King, I'm the Lord, I'm the man

Most important of all in the land  
My performances, all of 'em bang  
All of yours are just awful & spam

All of yours are just pieces of spat  
Tryin' to work out the reason you rap  
Tryin' to work out the reason you chat  
What's the reason for that?

Most emcees are just pieces of crap  
Most producers, their beats are just wack  
And I know it's not easy to hack  
But I'm the King of the rap

King, I'm the King, I'm the King  
You're the skim & you're dim, why you in?  
I'm just making it pop, mate just wait for the drop  
I'm the God damn King

King  
All of the people are under my rule  
King, King, King, King  
King!
