Monday up  
Tuesday down  
Wednesday  
You wear a frown  
Thursday right  
Friday wrong  
Saturday night  
Goes on and on  
Dancing through the night  
Hold each other tight  
Dancing through the night  
Hold each other tight  
Did you need  
To make me cry

Did you need  
To just get by  
Do you think  
I'm made of stone  
Do you think  
I'm all alone

And every day it's gonna rain  
it can't wash away my pain  
And every day it's gonna rain  
it can't wash away my pain
