I watch as my heroes fade from present to past tense
This world is in my hands and I am scared to death
Iâ€™m locked N loaded, Iâ€™ve got nowhere else to go
The careless aim of this aimless shotgun falls back
To rest defiantly on myself again, oh wellâ€¦
If you could see inside my head, you would see nothing

Know me Iâ€™m the bastard son
The one without a face that slips below the surface
Disillusioned, disassembled
Still running in one place

How can I do this to myself again?
Running in circles, my god it wonâ€™t end
I canâ€™t go on like this
I wonâ€™t make it

Pass me another bottle, give me another high
I need the touch of another girl
Man Iâ€™ll do anything just to feel alive
Just to feel alive
Know me Iâ€™m the bastard son
The one without a face that slips below the surface
Disillusioned, disassembled
Still running in one place
Know me Iâ€™m the bastard son
The one without a face that slips below the surface
Disillusioned, disassembled
Still running in one place

How can I do this to myself again?
Running in circles, my God it wonâ€™t end
All the colors have faded grey,
Will I survive the day?

Know me Iâ€™m the bastard son
The one without a face that slips below the surface
Disillusioned, disassembled
Still running in one place
Know me Iâ€™m the bastard son
The one without a face that slips below the surface
Disillusioned, disassembled

Still running in one place
