"Love, Care, And Serve"

Visit "[Love, Care, And Serve](#)" on MotoLyrics.com

Look around the world is confused without hope
Searching for an answer
Asking helping hands
Look inside we have a mission for today
Jesus showed us the way
To love

Refrain:

Love, care, and serve
Let's make a difference
Lift up your voice and just take a stand
Love, care, and serve
Witness the wonders
God can achieve when we testify
Love, care, and serve for him

Jesus came to show us the way to serve
Giving his precious life
He forgave and saved as
Keep alive the flame of the spirit God gave you
Let his plans come true
And love
