She's my latin girl...
She's my latin girl...

I was on my desk yea, yeah
I was on the class room,
I was doing nothing,
I was just sittin' patient...

Then you walked by,
You caught my eye
I said who's this girl,
She's looking super fly

Hey miss beautiful,
I've never seen you before
And I would like to be the one
To show you I am cool enough

Hey little mama,
What you got on ya
Looking so good
That I just want to telephone her

She's my latin girl,
Ooo, pretty lady
Don't you think it's crazy
She's my latin girl,
Ooh, she tries to fight it
But she knows she likes it

She's my latin girl,
Saw what I see
Then she's looking at me
She's my latin girl,
Yeah, yeah, yeah...

Hey miss beautiful,

I've never seen you before
And I would like to be the one
To show you I am cool enough

Hey little mama,
What you got on ya
Looking so good
That I just want to telephone her

She's my latin girl,
Ooo, pretty lady
Don't you think it's crazy
She's my latin girl,
Ooh, she tries to fight it
But she knows she likes it

She's my latin girl,
Saw what I see
Then she's looking at me
She's my latin girl,
Yeah, yeah, yeah...

She's my latin girl,
Ooo, pretty lady
Don't you think it's crazy
She's my latin girl,
Ooh, she tries to fight it
But she knows she likes it

She's my latin girl,
Saw what I see
Then she's looking at me
She's my latin girl,
Yeah, yeah, yeah.
