Oh! Carol, I am but a fool
Darling I love you tho' you treat me cruel

You hurt me and you made me cry
But if you leave me I will surely die

Darling there will never be another
Cause I love you so,
Don't ever leave me,
Say you'll never go.

I will always want you for my sweetheart
No matter what you do
Oh! Carol, I'm so in love with you.

Oh! Carol, I am but a fool
Darling I love you, tho' you treat me cruel
You hurt me, and you made me cry
But if you leave me, I will surely die

Darling there will never be another
Cause I love you so,
Don't ever leave me,
Say you'll never go.

I will always want you for my sweetheart
No matter what you do
Oh! Carol, I'm so in love with yooooou.
