Turn on the TV before you get dressed
See what the weatherman has to say
Will there be sunshine or will there be rain
Then you will always know what to wear

When it comes to your health
You must always care

Ooh, I hear laughter in the rain
Don't forget your boots and umbrella
Ooh, with your raincoat and your hat
You will always, always stay dry

Don't kick the puddles that lay in the street
You never wanna get soaking wet
If you don't remember to cover your head
Mummy and daddy will be upset

You'll cough and you'll sneeze
And a cold you'll get

Ooh, I hear laughter in the rain
Don't forget your boots and umbrella
Ooh, with your raincoat and your hat
You will always, always stay dry

You'll cough and sneeze
And a cold you'll get

Ooh, I hear laughter in the rain
Don't forget your boots and umbrella
Ooh, with your raincoat and your hat
You will always, always stay dry

Ooh, I hear laughter in the rain
Don't forget your boots and umbrella, no, no, no, no
Ooh, with your raincoat and your hat
You will always, always stay dry

Remember this

Ooh, just remember when it rains

Always bring your boots and umbrella
Ooh, with your raincoat and your hat
You will always, always stay dry
