The board of education from Maine to Tennessee
Just don't dig that crazy ABC
You know they teach us something different and they
call it R & B

Chorus

You gotta learn your rythm and blues
Everybody's shoutin' the news
Go out and buy a pair of rock and roll shoes
Or brother you're gonna lose
The time is incidental, the fun is fundamental
When you learn your rythm and blues

No more readin' and writin' and 'rythmetic
You got to know the three R's when the teacher swings
the hickory stick
Start a-reelin' and a-rockin' and a-rollin' with your chick

Chorus

When the teacher gives us homework everyone shouts
hooray, hooray
I got to go right home and study without delay
I got to tune into Bandstand and get the lesson for
today

Chorus X 2
