== Version 1 ==

You put a smile upon my face  
When there was nothing left but sorrow  
You showed me how to live again  
And I'm so grateful for your love.

I bless the day you came to me  
For God has sent me down an angel

And you have turned the tide  
And made the world seem bright.  
You and you alone  
Have turned the dark to light.  
You're my everything  
No one can make me feel the way you do,  
There can be no one,  
No one but you.

All of my lonely days are gone  
You gave me strength when I was falling  
I pray we never say goodbye  
I can't go on without your love.

I know there might be troubled times,  
But we can work it out together

And you have turned the tide  
And made the world seem bright.  
You and you alone  
Have turned the dark to light.  
You're my everything  
No one can make me feel the way you do,  
There can be no one  
No one but you.

I know there might be troubled times,  
But we can work it out together

'Cause you have turned the tide  
And made the world seem bright.  
You and you alone

Have turned the dark to light.  
You're my everything  
No one can make me feel the way you do,  
There can be no one  
No one but you.

And when our life on Earth is over,  
And all our worldly things are through,  
I know we still will be together  
Forever more, just me and you.

== Version 2 ==

I'm in love with you  
Each and every day  
And I can't remember  
My life another way.  
Like a child hangin' on with tremblin' hands,  
Snuggled in against the cold, I know,  
The world turns left to right  
But the best part of my life is you.

Like a gentle breath of hope in the night,  
You bring my little secret longings to life.  
Ooh, nobody can make it happen like you,  
Nobody but you.

Promises may break  
And the sky might fall.  
Love may last for ever  
Or maybe not at all.  
Like a shell, tumblin' upon the tide,  
A kid upon a giddy ride, that's me.  
At home or out to sea  
I always want to be with you.

Like a gentle breath of hope in the night,  
You bring my little secret longings to life.  
Ooh, nobody can make it happen like you,  
Nobody but you.

Like a child hangin' on with tremblin' hands,  
Snuggled in against the cold, I know,  
The world turns left to right  
But the best part of my life is you.

Like a gentle breath of hope in the night,  
You bring my little secret longings to life.  
Ooh, nobody can make it happen like you,  
Nobody but you.  
Nobody but you, nobody but you,

Nobody, nobody, nobody but you,  
Nobody, nobody, nobody but you,  
Nobody but you...
