(Feat. Ayo)

[Intro:]

What is this?

Maybach music!

I like this Maybach music!

Evil empire gangsters will lead you..

I've been getting this money, been buggin these hoes
Been slipping on rubbers when I fucked around with no
clothes

Been getting this dope but I've spent it all on my notes

Respect, power, money

Oh, that's all that I know!

All I know is Rolex, all I know baguettes

All I know is the best, all I know is you scratch

All I know is Ferrari, all I know is you sorry

All I know is you wanna be me, you wish you'd trade
bodies!

All I know is 3 Cs, all I know is 2 Ms

All I know is build a bird ', rock 'gems

All I know is these rims, all I know is these sins

All I know I've been broke and ain't been back ever
since!

Hook:

I've been calling the shots

(I been did it!)

Mirror face on my watch

Man, I've been getting this gray,

Y'all niggas just opened up shop

(I been did it!)

I've been holding these knots,

Fifty racks on my arm

(I been did it!)

I been there, I did that

Y'all niggas have not!

(I been did it, I been did it

I been did it, I been did it)

Y'all niggas have not!
I been did it, I been did it!
I been did it, I been did it
Y'all niggas have not!
I been did it!

I've been getting this money, been buggin these hoes
Been slipping on rubbers when I fucked around with no
clothes
Been getting this dope but I've spent it all on my notes
Respect, power, money
Oh, that's all that I know!

All I know is this ' and jeweler
All I know my money long and I don't need me no ruler
All I know is the trill and how to crack seals
And how the back of a black Maybach feel.
All I know is these charges
Got dropped and it's marvelous!
All I know these pussy niggas just got put on the list (on
the list!)
All I know is this izzy, all I know is precision
All I know is this pimping, I bet she know the difference!

Hook:
I've been calling the shots
(I been did it!)
Mirror face on my watch
Man, I've been getting this gray,
Y'all niggas just opened up shop
(I been did it!)
I've been holding these knots,
Fifty racks on my arm
(I been did it!)
I been there, I did that
Y'all niggas have not!
(I been did it, I been did it
I been did it, I been did it)
Y'all niggas have not!
I been did it, I been did it!
I been did it, I been did it
Y'all niggas have not!
I been did it!

I've been getting this money, been buggin these hoes
Been slipping on rubbers when I fucked around with no
clothes
Been getting this dope but I've spent it all on my notes
Respect, power, money
Oh, that's all that I know!
